

Date: Saturday, December 5, 2015

Time: 10:00am-2:30pm

★ Cybersecurity and Cybersafety for 4th and 5th Grade Students !

Cybersecurity and Cybersafety for 4th and 5th Graders is an interactive learning and mentoring experience for students who are interested in technology, computers, and cybersecurity! Undergraduate students will lead workshops in topics such as password protection, computer safety, encryption, and internet privacy. This event will provide students with the opportunity to learn everything they need to know to safely use the internet and technology with confidence!

For: 4th and 5th grade students

Cost: \$30 (includes lunch and t-shirt)

Location: UMD College Park

Apply online at
